

---

Describe any activities, situations and/or environmental conditions that the group may encounter (e.g. animals, insects or poisonous plants, activities requiring strenuous exertion, high crime areas, epidemic or hazardous materials). Also describe any precautions or response plans in place to address those risks.

Please describe the type of accommodations that participants will use (include number of students per room, type of housing, and typical layout).

Identify the nearest medical facility and its approximate distance from student accommodations.

|   |     |    |
|---|-----|----|
| Is everyone participating in the program affiliated with EWU?   | Yes | No |
| Are you traveling to private property?                          | Yes | No |
| Do you have any minors going on your trip?                      | Yes | No |
| Will you have someone on the trip who is CPR/First Aid Trained? | Yes | No |
